

Water Sewer Board Meeting 7/22/20

Attendance: Ron Mills, Paul Fox, Nick Garlinghouse, Elgon Ellis, Rich Phillips

Absent: Dan Jere

- . Next meeting is scheduled for August 18,2020

- . ETNA – Tony is the representative. Meter reading update system: It will take 15 to 20 minutes to read 330 units. It has a mile and half range with a water pressure reader. They will help program the system. There were questions about the frost or heat effecting the units, to which Tony replied that it would not. There would also be no electrical interference. They discussed that 325 units would be needed at \$135.00 each, with a total of \$41,700.00. This would be a benefit to new billings. A motion was made by Paul Fox to purchase the units and was seconded by Ron Mills. All members agreed. Now it will be handed to the board to be approved.

- . Other matters: Fiber optics is in the process of being installed. There was a question about late fees to be addressed on August 18/20.

- . There were no public present for comment.

- . Meeting was adjourned at 7:10
