

Water Sewer Board Meeting 5/21/2019

Attendance: Ron Mills, Elgon Ellis, Dan Jere, Rich Phillips

Next Meeting is scheduled for June 18, 2019

- Discussion of changing the wording for the hook up cost for water and sewer and the overall cost for individuals requesting hook up. Property owner will be pay a flat fee of \$800.00 each for water and sewer and will be responsible for all work, parts and excavation from the main to the meter.
 - Property owner will be responsible to purchase all parts for water and sewer hook ups and running from either the water/sewer department or will have to purchase equivalent or exceeding parts from other source. Parts will have to be approved prior to installation.
- New wording will include a licensed and insured contractor for Taps only from the mains.
- A County or State Right of Way permit will also be required prior to beginning of any work. Owner/contractor are responsible for all excavation, backfilling, compaction, any pavement repair and restoration of area disturbed.
- Roger Charles spoke with Rich Phillips about the possibility and cost of running water and sewer down River St. Brief discussion and if additional residents on the road agreed for the service additional investigation of engineering and design will continue.
- Michigan Environment, Great Lakes and Energy (MEGLE) has a program that requires water service lead into resident to be surveyed to determine what type of pipe is in place; copper, lead, hdpe. Summer help will assist in this mater.
- No update on sewer televising, and cleaning.
- The Township has been contacted to place a radio tower on the water tower from a cellular phone provider.
