Old Business:

Sign Ordinance: Discussion on possible changes to the ordinance to bring it into compliance with new legislation. Because Lori was not present John suggested that the committee ask Lori to bring her handouts to the February, 2024 Planning meeting and then the committee can review more effectively the suggestions that Lori is making.

Motion by John to table further discussion on the sign ordinance until February, 2024.

Seconded by Sherry Bertram.

All in Favor.

Blight Ordinance: John gave the committee a history of how the blight concern began. After some discussion the committee looked at the last paragraph on page 1 of Ordinance No. 7, (Section II) and agreed to change the wording from "These automobiles must be removed within 90 days" (the current wording) to reflect "These junk automobiles, in excess of 2, must be removed within 90 days." The committee felt this was a clarification of the ordinance.

Motion by John Waisanen: To change the wording in the Zoning book to reflect this clarification.

Second by Mark Olsway

All in Favor.

John will contact the MTA to confirm that this change of wording is just a clarification and therefore does not need public hearing.

Cindy Wilson suggested that the township be sure to update the wording in the Zoning book and to make sure that the table of contents (page numbers) is not affected.

John (as the liaison to the Superior Township Board) will present this clarification to them for approval.

New Business.
